A large proportion of the business men of the United States have frequently been forced futo a position of antagonism to the Democratic party by an policy was inimical to their interests. and calculated to "ruin" the country. In the progress of events this impression has been fully removed from the minds of many by the advantageous effects which have resulted from the practical operations of Democratic measures. The unusually earnest scrutiny of financial affairs, induced by the present crisis, will, we think, greatly serve to strengthen the conviction that in many things the policy once bitterly denounoed as pregnant with evil, is in truth eminently wise and beneficial-that Democratic laws which were inconsiderately condemned as missiles of devastation are in reality sheet anchors of protection.

The much-reviled Independent Treaenty system has exercised a conservative influence, universally felt and acand made the basis of additional expantravagant expenditure and speculation,

A MEDICAL REVOLUTION?

HOLLOWAY'S OINTMENT THE GREAT COUNTER IRRITANT

The virtue of disease often makes its way t the internal organs through the porce of the skin. This penetrating Ointment, melting un-der the hand as it is rubbed in, is absorbed throthe same channels, and, reaching the seat of in-the same channels, and, reaching the seat of in-lamation, promply and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It pene-trates the surface to the interior, through the countless tubes that communicate with the skin is summer rain pisses into the fevered earth, liftusing its cool and regenerating influence.

Skin Diseases and Glandular Ewellings. Every species of exterior irritation is quickly duced by the auti-inflammatory action of the Outment. Angra Enteriors, such a HEAD, NATTLE RASH, SCABLES (or Itch) &c., die out, to return no more, under its application.—
Hospital experience in all pasts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORES AND TUMORS. The effect of this unrivaled external remed ores, is almost miraculous. It first discharges he poison which produces supparation and proud lesh, and thus the cures which its healing prop-rties afterward complete are safe as well as

Wounds, Bruises, Burns and Ecalds In cases of the fracture of hones, injuries caus l by steam explosions, Budises, Bouns, Scaldt. RIEUMATISE, STIPFNESS OF THE JOINTS, AND C ntraction of the sinews, it is employed and warmty recommended by the faculty. This marvelous
remedy has been introduced by its inventor in
person into all the leading Hospitals of Europe,
and no private household should be without it.
